The County Board at its last session lent the Commissioners' a solemn attack, if current rumor, gets out not to the most building and audit governments in other respects than have characterized Chicago since the fire of 1871. As an excuse was made to run through the usual routine a year ago, but to enforce true character and to enable the responsible Commissioners to enforce it. The friends of the present Commissioners, and not enemies to said, during the absence of some of the Commissioners on a campaign tour recently, set up the plea and made good of the passage. Just preparatory to the adjournment of the Cook County Commissioners' Court they submitted the following report:

The undersigned, A. J. Bray & Co., of the City of Chicago, in the County of Cook and State of Illinois, do hereby submit and report to your honorable body that we have examined the books, papers, and accounts of the Commissioners of Cook County, Illinois, and have found the same correct, and that we have found the following amounts of money in the hands of the several officers of said county, to wit:

Commissioner Fink Requested to Order a General Reduction in State Grain Freight Rates.

The Southwestern Trio Has Almost Split on the Rock of Transcontinental Traffic. Gossip and Latest News.

An Effort to Enter Alone a Remonstrance of Local Grain Dealers Against the St. Louis & Texas.

Commissioner Fink of the Illinois Railroad and Warehouse Commission has addressed a letter to General Solicitor Charles Aldis, Gen. E. Ingersoll, Gen. Solicitor Wilgus, Gen. L. Lomax and Gen. Solicitor Bangs, requesting them to appear before the commission on March 6, prepared to produce evidence and argument in favor of a general reduction in grain rates from Illinois points to the seaboard. The letter follows:

CHICAGO, March 1, 1894.

GENTLEMEN: The Illinois Railroad and Warehouse Commission has received numerous complaints from shippers of grain in this State against the present rates on grain from Illinois points to the seaboard, and has also received petitions from boards of trade and other commercial bodies in this State asking for a reduction in such rates. The commission has also received a petition from the Chicago Board of Trade, praying for a reduction in the present rates on grain from Illinois points to the seaboard
